1. Do you want my words as much as I want to give them to you? Do you? Really now? Really? Now? Do you want the stench not but that which dries it, heals it, removes it from being/existing in you, your existence existence'd by one not you, not; but like you? Is. Being. I love you.

2. Do you wanteth my word commands, my wordship that demands not, commands not; but instructs, nurtures, eye-salve's and gives morning joy for mourning, healing ashes ashen?

3. See what I have said/asked. Please. Thank you. Amen.

4. I love you Aiken and Companies

5. And who art thou oh son of man inflicting not wounds but healing them, healing giving, being, being given, becoming, became, giving it as gifts not but giftings resident in them to give/flow to others now, beyond them not; beyond and all around, in, beside, and throughout eons, throughout ages many/non-ending. I love you.

6. I all you. I beseech you come into me to all you, receive all of me, all of you who ever read this, hear these words spoken, seeking me for not principles of revenue generation and financial blessing but relationship real that true's you, and beseeches your frame not to emulate mine but in truth become mine in wordship that you write/pen with your own writing utensils and pens and computers generating lastingness that beseeches generations afar, farther, to become as you are/have/becoming. I love/am you all.

7. I love the moment/hour and whoso can see my son man not but me? in them? Them being it/my son? Revealed by my son whose son is my son?

8. I have one son and many is thy/his name. Jesus is one. You are one. And many are me/my name. See me and realize, ingest, and utilize for gain not but sorrow not but beseeching death not, defeating death, sorrow, and gain, not needing it, not wanting it, rising above it all. I love you.

9. This is the major, not the minor leagues. For keeps this is. Forever'd.

10. I love you/am you not in thought like thought by so many, but reality real.
11. And who can know reality/me? All who choose me, coming through me, my doorway revolving not; but one way, seamless, being. I "one way."

12. I am the one and I one way many now who seek me, my words, on bended knee, of heart contrite and soft/softening, seeking me, wanting me/my word, wanting Above All Else their theme, not; but being conscious of, not temporarily, but permanently surrendering to become my word received/transformed into their being. Not in their being, transforming their being into something else, above all else. Windless not, surrendered to/being, me/it, holy, one; high.

13. I love/am you my all who love me, who love me not, who hate me; I love/am you still and cannot get rid of me can you? I am my own. I love am. You are my words my love. I love you all.

14. See transition not; cataclysmic catapult now throwing you down/around, not; never again see feel experience the pain agonized on your that cross.

15. I love you. I am you. I come/came through; you do/have now, I Am'ing my all who wordship receive and bow not to satan'darkness wordship deceiving promises rotting, any more. I love you.

16. Thou art holy righteous lovely. Beloved, thou art mine/I am yours. Amen.

17. Who can see my evolution not but my resolution to make all men me? By my love this happens/occurs/comes about/into being. By my love shed abroad not but in you my lover/hearer/reader/surrendering ones, to each other/me, to God not afar off somewhere distant future'd'ly, calculating to encounter eventually, not! Now! See, be, behold me/my evolution not but mirror'd one without mirrors! Gracious!!! Thank you!! Amen. Me.

18. Behold me, I Am, at the door knocking not; waiting for yours. Now! This is the moment. Seek/seeking my words through you, into you, behold the wordship manifested/manifesting wordship, transferring flesh not but transforming it, me, into me; meship!

19. I love/smile at/with you. I love you. My eyes twinkle, sparkle, and I reminisce not but create now that which I am through my lovely'ables by flowing my wordship in/through them; washing, cleansing, maturing; tearing up/down and uprooting all manner of not-me/darkness and shadowy turnings variable, and bring forth darkness from light not; but light from/through darkness to many now, through the surrenderables that take my name/hand not to control me, make use of my principles, but receive me unto myself that where I am there ye may be also, living.

20. See what I have said/declaring my name your forehead mine, completely mine, altogether mine/lovely.

21. Lovely'ing my body all, I love/am you; for in surrender is everything you want and millions times more. Forever'd. I love you all.

22. Seek me/my words. I seek you to flow them, have them, become them; me.

23. I love/am you all. Amen.

24. See. Thank you forever one. Me

25. Solo not; I bring you good tidings of help personified, my name/being, in suit and clothes me; my name not, not. I elevate my Emmanuels. Tidings of me travel fast, throughout ages past/present/future.

26. I love/am you all. Believe me, receive me. I me am. I Am. Now and forevermore. I escalate, accelerate, and give you my promises/Promise true, father'd; one holy, high. I am you all.

27. Surrender more. Please and thank you.
28. Wordship one, yours'n yours and yours more. See.
29. Believe, being. Seeing, entering. Becoming, transforming worlds.
30. Watch me/us. One. Me. Father.

31. Lover of my soul not; I soul'less am. I have not one. I am one without not; I have it all/everything. My father loves me, gave me his name, placed me his throne, being. I love you all. Amen.

Goodnight.

One
